

Courtesy Coverage

An overdraft occurs when you do not have enough money in your account to cover a transaction. Alliance Credit Union offers Courtesy Coverage, an overdraft program offered as a safety net for eligible Alliance Checking members. If your balance is lower than you thought or an unexpected expense occurs, Courtesy Coverage can save you the embarrassment of being declined and cover transactions when there are not enough funds in your checking account.

Enrollment in Courtesy Coverage is free and it costs you nothing if you do not use the service. In the event you do use Courtesy Coverage, it costs just \$29 per overdraft.

Would you like Courtesy Coverage for your personal checking account? Enroll today by completing the form below or give us a call at 800.232.8669.

What you need to know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We have standard overdraft practices that come with your account.
2. We also offer overdraft protection plans, such as a link to a savings account or a line of credit, which maybe less expensive than our standard overdraft practices. To learn more, please ask about these plans.

This notice explains our standard overdraft practices.

What are the standard overdraft practices that come with my account?

We do authorize and pay overdrafts for the following types of transactions:

- Checks and other transactions made using your checking account number
- Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- ATM transactions
- Everyday debit card transactions

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transactions.

If we do not authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if Alliance Credit Union pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of **\$29** each time we pay an overdraft (\$145 maximum per day).
- Beyond the daily maximum, there is no limit to the total fees we can charge you for overdrawing your account.
